

# CHURCH TO DEMOLISH SERVICE FLAG OF 80 STARS, THREE GOLD

**PATRIOTIC** services, appropriate to Memorial day, will be held Sunday in a number of El Paso churches. Pastors have asked members of their congregations to take flowers to church for the Sunday school.

In a special service Sunday night the First Methodist church will demolish its service flag, containing 80 stars, three being gold. The flag will be taken from the wall by Ray Scott and presented to the pastor, who will deliver a very brief address on "What Meant These Stars?"

At 7:30 p. m. the pastor, Rev. H. Van Valkenburg, will present the flag to the members of the church. At the morning service, 11 a. m., the pastor will sing "The How Amiable Are Thy Dwellings," by West, and the hymn "The Lord's Prayer," by Sheldon.

Services will be held Sunday at 10 a. m. at the American Nazarene church, 2222 Sacramento; Sunday school, 10 a. m.; preaching, 11 a. m., and preaching, 8 p. m. Mrs. Sadie Lewis is the pastor.

## SIX MONTHS I COULDN'T WORK

**Lydia E. Pinkham's Vegetable Compound Made Me Strong and Able to Work—I Recommend It To All My Friends.**

Bayonne, N. J.—"I had pains in back and legs so that I could not stand caused by female troubles. I felt as if I had been in the hospital all the time, had had headaches, and for six months I could not work. I was treated by a physician and took other remedies but got no relief. A friend told me about Lydia E. Pinkham's Vegetable Compound and it has helped me very much. I am well and strong and now able to do my work. I can not thank you enough and I recommend your medicine to my friends who are sick."—Mrs. SUSIE SACATANEY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person that a medicine could not live and grow in popularity for over forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

GOD thundereth marvelously with his voice; great things doeth he, which we cannot comprehend. For he saith to the snow, Be thou on the earth; likewise to the small rain, and to the great rain of his strength. He sealeth up the hand of every man; that all men may know his work.

Therefore with joy shall ye draw water out of the wells of salvation.—Isaiah 12:3.

Isaiah has been called the "prophet of good news." If one would be an optimist—an enthusiast for the kingdom of righteousness, study deeply Isaiah. John the Baptist, the iron man of the desert, could preach with volcanic effects his message of preparing the way of progress for the nation because he had the vision of Isaiah gripping his heart with convictions of steel. If one would be relieved of loneliness and disappointment, let him enter the watch tower of Isaiah—for Isaiah's background is a nation in sin and moral disease.

What a desolate and pitiable picture of the nation's status this writer throws upon the canvas! "Ah, sinful nation, a people laden with iniquity, a seed of evil-doers, children that are corrupt—they are gone away backward—from the sole of the foot even unto the head there is no soundness in it; but wounds and bruises, and putrifying sores; they have not been closed, neither bound up, neither mollified with ointment. Your country is desolate, your cities are burned with fire; your land, strangers devour it in your presence, and it is desolate. Surely a mighty hopeless picture! # SAVAGE in the Yosemite

The Only Tire Used Exclusively for Two Consecutive Years

Savage Tires have stood the test—they hold to-day the record of being the only pneumatic tire used exclusively for two consecutive years in Yosemite National Park.

Their performance on the rough, tire-consuming roads of Yosemite, on the forty-four stages of the Park Com-pay in 1919, proved their worth, and now in 1920 the exclusive tire concession in the Park has again been awarded, against the competition of all other tire companies, to the Spreckels "Savage" Tire Company of San Diego, California.
